

**Name of the project: Diagnostics of the cyber resistance of the company Real grupa d.o.o.**

Project reference: NPOO.C1.1.2.R3-I2.01-V4.0150

Beneficiary of the Co-financing Agreement: REAL GRUPA d.o.o. for marketing and trade activities

Project location: Ulica Ljudevita Posavskog 31, Zagreb

Total project value: EUR 12,500.00

Total eligible costs: EUR 10,000.00

Total grant: EUR 6,000.00

Project implementation period: 2024

Contact person: Derviš Vojić, [dervis@realgrupa.com](mailto:dervis@realgrupa.com)

**Project summary:**

The project focuses on conducting security assessments of systems and data vulnerability checks, performing penetration testing and security testing, and detecting cyber threats in information systems. It also includes analyzing collected data to define further system improvements and training employees to enhance their cybersecurity skills.

The purpose of the project is to increase the company's digital resilience, leading to sustainable cybersecurity, efficient detection and prevention of risks and threats, and, consequently, greater client trust.

**Project goal:**

The goal of the project is to enhance the digital maturity of Real Grupa's ICT sector by increasing awareness of cyber threats, enabling the prevention of cyber incidents, and improving cyber incident management. This will ultimately strengthen the company's competitiveness and cybersecurity.

Employee training in cybersecurity will enhance their potential and ensure the long-term sustainability of security measures. These improvements will increase the company's resilience and competitiveness by enabling more effective utilization of digital potential.

**Project activities**

- Implementation of system security audits
- Implementation of penetration testing
- Implementation of security testing
- Analysis of collected data
- Defining additional system improvements
- Employee education
- Increase in cyber resilience and security
- Increase in competitiveness
- Increase in human capacity efficiency
- Increase in customer trust
